

Inglés conversacional intermedio

Objetivo

The objective of this course is to enable learners to use English confidently and flexibly in everyday situations. By the end, they will have practised talking about general topics and topics of personal interest.

Qué trabajarás

Introductions and free-time conversations, presentation planning and structure, and agreeing or disagreeing in debates. Interactive classes and listening practice support spoken fluency.

25 Horas de teoría.

B1 Nivel MCER recomendado.

4 Unidades.

Programa del curso

Unit 1: Conversational English 1

- 01** Meeting new people
This lesson shows examples of the essential language used when meeting and introducing new people.
- 02** Introductions
This lesson continues the theme of introductions with more situations where people meet and exchange personal information.
- 03** Making arrangements
This lesson reviews ways to talk about plans and arrangements using various tenses.
- 04** Introductions - Masterclass
This interactive class provides the learner with the opportunity to review the language of introductions.

Unit 2: Conversational English 2

- 05 Sports**
This lesson looks at the most typical vocabulary on the topic of sports, some equipment as well as the places people can do different sports.
- 06 Free-time activities**
Common free-time activities and collocations with do, play and go.
- 07 Outdoor activities**
This lesson takes a look at leisure activities that people can do outside.
- 08 We were hiking**
This lesson covers ways of talking about the past and introduces vocabulary to talk about camping and other activities.
- 09 Free time - Masterclass**
This interactive class encourages the learner to speak about the topic of free time, hobbies and preferences.

Unit 3: Presentations

- 10 Presentations - Vocabulary and expressions**
This lesson introduces the topic of presentations through various vocabulary and listening comprehension exercises.
- 11 Presentation tools**
Continuing the topic of oral presentations, learners listen to more examples and learn about the typical tools used when making presentations.
- 12 Signposting & Structure**
This lesson looks at how to organise oral presentations by using signposting language and sequencers.
- 13 Types of presentations**
This lesson shows examples of some different types of presentations and the language used in each one.
- 14 Presentation: Elon Musk**
A short presentation with listening and reading practice, discourse markers, and language for opinions, agreement and disagreement.

Unit 4: Debates

- 15 **Agreeing**
This lesson uses a range of listening activities such as dictation, order the words and fill the gaps to review ways of agreeing.
- 16 **Disagreeing**
Ways to express disagreement through listening and language exercises.
- 17 **Village of the future**
This lesson reviews the use of future tenses in the context of an article about the way people will live in the future.
- 18 **Informal debates**
This lesson provides examples of informal debates and the language of agreeing and disagreeing.
- 19 **Making plans for holidays**
Present perfect and time adverbs in a conversation about planning holidays and comparing lives.
- 20 **Balloon debates - Reading comprehension**
This lesson uses a short text to illustrate ways of explaining and defending a point of view.

Final test

- 21 **Final test**
This test reviews the conversational language used between friends and colleagues as seen on the course.
